

2024 ATF DESIGNATION

The designation below shall be completed when a salmon troll vessel owner wishes to designate an agent on his/her behalf who will be responsible for requesting licence amendments throughout the year. The designation need not be completed if only the vessel owner will be requesting amendments or reports. Should the designated agent change at any time, a new form shall be completed. Additional forms are available from the DFO offices in Prince Rupert and Queen Charlotte.

2024 licence condition amendments shall only be issued to the vessel owner or to a designated agent.
