1. Management Area: If you fished in Areas 2, 19, 20, 23 or 29, please provide the subarea number as well. See area maps online: <https://www.pac.dfo-mpo.gc.ca/fm-gp/maps-cartes/areas-secteurs/index-eng.html>

2. Fishing method: AB=Angling from boat, AS=angling from shore, TB= Shellfish trapping from boat, TS= Shellfish trapping from shore, BD=beach digging or hand picking, DO=Dive-based or other

3. Lodge: Y=Yes if your fishing day originated from a sport fishing lodge, N=No if it did not

4. Guide: Y=Yes if you fished with a paid guide on this fishing day, N=No if you did not

5. Crab/Prawn trap: Y= Yes if you checked crab and/or prawn/shrimp traps on this fishing day, N=No if you did not

6. Mark-type: For Chinook and Coho Salmon only, record Wild (unmarked), Hatchery (marked), and Unknown mark status separately, using "W", "H" and "U", respectively, to indicate which mark-type each row refers to.

7. Chinook size range: In some areas, regulations specify different daily limits for two size ranges of Chinook above the minimum size limit. If you are reporting Chinook catches for such an area, please record catches of Chinook in the smaller size range as LS for legal-sized, and those in the larger size range as US for upper size range. In all other areas, record all Chinook catch above the minimum size range as LS. For all areas, record Chinook catch below the minimum size limit as SL.

8. Dungeness legal?: Dungeness Crab only, keep separate records of catches that were legal to harvest, i.e. of legal size or sex to harvest, using "Y" and "N" (Yes/No) to indicate which category each row refers to.
